ACTA

Most of us as doctor's wild world know this name well
With long history of services in publishing medical science.
With great dedication to this work and brand name made by a lot of efforts
Its teamwork decided to continue serving science by launching
This journal ACTA NEUROLOGY to start a new era of high-quality publications
And team of this journal promise you to continue the way of ACTA
The objective of ACTA NEUROLOGY is to publish up-to-date, high-quality
And original research papers alongside relevant and insightful reviews.
Waiting for neuroscience doctors to follow us and help us to present to you
The most high-quality articles with revision of its scientific base to get
The highest benefits from following our issues.
